## In Love With His Wife

By H. EAGER

Mr. Sam Klunnick had decided to get a divorce. Thirty years under one roof is more than enough! Am I right or wrong?  
"But, Mr. Klunnick, why all this rush? Why have you waited so long to make up your mind?" I asked him. "Don't you think it's a little too late for such a drastic step?" "Too late, did you say? It's never

too late to get a divorce!" he answered, lighting a cigarette. "If it weren't for my children I'd have broken loose long ago."  
"The children held you back?"  
"Sure thing! It would have been dreadful for the children, when they were still young. And, besides, a step like that sort of gives you a bad name generally. What would neighbors, friends and your own relatives say? Now, however, when my children have children of their

own, is the appropriate time. Now, I can laugh at all the gossip. Since I've done my duty, raising up three sons and two daughters and helping them to get a start, I can look the world right in the eye. As adults, my children won't mind. On the contrary, they are likely to actually welcome the idea of their dad being so modern . . ."

"But," I persisted. "why have you stopped loving your wife?"

"Stopped loving her?" and he laughed. "Ha, ha, ha! Why, I never did love her. I just carried on—and that's all. I didn't know any better. But now I am more mature, and I realize I've lost much valuable time—"

"What do you mean by that? What do you intend to do with the rest of your valuable time?"

"Remarrying, and knowing what it really means to have a wife. Did you think that I would live all alone?"

"You're not quite alone now, are you?"

# MAZOLA

THE KOSHER SALAD & COOKING OIL

For many years chefs, in all parts of Canada, have shown a preference for MAZOLA — connoisseurs of delicious salad dressings or mayonnaise appreciate the fine quality of Mazola. Mazola, made from sun-ripened corn, mixes easily with other necessary ingredients and imparts a distinctive and delightful flavour to salad dressings.

Mazola is unequalled for deep frying or sauteing and is most economical to use, as it can be used over and over again without carrying the odor or flavour of one food to another.

Have you tried Mazola for lighter, fluffier cakes? Send for Recipe Sheet MA-2 containing Mazola Cake Recipes.

Order MAZOLA from your Grocer in 1 or 8 lb. sealed tins.
