of public service as educator and administrator. Elected Deputy Speaker of the first Knesset, at the age of 40, he has gained the respect and admiration of all parties and factions, and has served as his country's Minister of Health.

In making the announcement, CJA general campaign chairman Sam Galpern urged full attendance to take advantage of this "rare opportunity to obtain a direct report on the explosive Middle East." Mr. Galpern stressed that this would be strictly an informational up-to-date briefing on the unfolding of events in the troubled Middle East, and that there would be no solicitation for funds at the meeting.

The special visit to Winnipeg of one of Israel's senior cabinet ministers at this critical time in the history of the Jewish State underscores the urgency Israel attaches to the city's Combined Jewish Appeal and the need to keep its constituents informed of developments, said Mr. Galpern.

He pointed out that Dr. Burg is one of the most highly regarded public figures in Israel. Dr. Burg has the difficult task of melding into one, Jews of 72 different lands and almost as many varied life styles. As a result of the Six Day War, he has also devoted the services of his Social Welfare Ministry to providing the same social services for the Arab populations of the West Bank who are now under the administration of the Israel Government.

Town Hall's Final Guest Gen. Herzog, April 21

Major General Chaim Herzog, the most authoritative speaker on the Middle East today, will speak at the Shaarey Zedek Synagogue, at 8:30 p.m. on Monday, April 21. Lecture subject will be "The Middle East and Today's World". Born in Ireland, General Herzog is a graduate in law. His boyhood was spent in Palestine, where he initiated a distinguished military career by serving in the Jewish underground defense organization.

His famous broadcasts during the Six Day War were released on records in both Hebrew and English. He was publicly credited with singlehandedly transforming the mood of the nation. With the outbreak of hostilities, he was appointed Commander of Israel's forces on the West Bank of the Jordan and the first Jewish Military Governor of the West Bank, including Jerusalem, in 2,000 years.

A leading figure in public affairs, top analyst on the Middle East, the Town Hall organizers promise an outstanding program with General Chaim Herzog. Yosef Tekoah, Israel's Ambassador to the UN for the past seven years, has confirmed that his successor at the UN will be Brig. Gen. Chaim Herzog.

Tickets can be obtained at the Rosh Pina Synagogue, B'nai Abraham Synagogue, Shaarey Zedek Synagogue and the YMHA.

The Town Hall Series sponsors are: The B'nai Brith Adult Education, B'nai Brith Hillel Foundation, B'nai Abraham Synagogue, Canadian Zionist Federation, YMHA, Rosh Pina Synagogue, Shaarey Zedek Synagogue, Winnipeg Jewish Community Council, and the Canadian Jewish Congress.

Peretz School Nursery-Kindergarten Announces That Registration on Now

The education of a child in a kindergarten is much greater and more important than the parents visualize. The kindergarten-nursery is, in fact, a very important educational phase that prepares the child to live with friendly co-operation and tolerance in the child's world of a school, and to a certain disciplined form of work and creativity.

Great importance and professional planning is devoted for continuous improvement in our kindergartens. We endeavor to develop in the young children the incognitive perceptions with orientation and co-ordination in all their work. It is also important that parents know and understand that we are planning to widen our program in the nursery-kindergarten to a pre-class program of individual reading and more effective arithmetical exercises. This will make it possible for a more intensive and advance activity in grade I and further.

It is also known that our school devotes a lot of attention to the

comfort and proper working atmosphere and environment of a kindergarten. Our nursery and kindergarten are an example of beauty and comfort, furnished and cared for with all the modern educational material.

For a Jewish child ready to

enter into a Jewish world and institution of a highly qualified educational system — our doors in the kindergarten-nursery are open. Registration in the nursery-kindergarten of the I. L. Peretz-Folk School is being taken now. For information, call 338-0045.

Soviet Jewry on Agenda

On Saturday, March 15, West Kildonan-Maple Leaf Lodge held its third Adult Jewish Education Program, with guest speaker, Rabbi Gad Frieman. Rabbi Frieman talked about the holiday Passover. His talk was linked with the customs of the past, and how they affect us in the present day. All those who attended found this discussion most interesting and informative.

The lodge held their March general meeting on the 18th, and had as guest speaker, Milt Black of the Winnipeg Jets. Mr. Black fielded all questions directed to him with no dodging or stick handling. Special thanks to Mr. Black for coming out and giving us an

insight into the operations of the Winnipeg hockey club.

On Sunday, April 8, the lodge will hold a general program on Soviet Jewry. The guest speaker for the evening will be Gerald Lasensky, and Mike Kaufmann. Prior to the discussion, a movie will be shown, which will give an in-depth view of Soviet Jewry as it exists today.

On April 19, the lodge will hold its 4th Adult Jewish Education Program at the home of Barry Corey, 521 Cordova Street. Guest speaker for the evening will be Rabbi Neil Rose who will speak on the Kabbalah — Jewish mysticism. All members interested in attending are asked to contact Barry Corey at 489-2564.
