

Protest Suez Ban

(Cont. from Page 3)

The failure of the Suez Conference in London to come to grips directly with the ban on Israel vividly highlighted the mingled fear and timidity that hampered the West.

MRS. GOTLIEB cited the case of Iran, whose nationalization of British oil installations brought poverty and bankruptcy to the country. The Arab states needed the Western market for oil and its revenues, just as Nasser could be taught that he was fully dependent on Western traffic through Suez, and the value

of its revenues.

BARGAINING from such positions of strength... together with an acknowledgment of the reality of Soviet power in the Middle East, could form the basis of a new Western orientation towards the Middle East. Instead of using Israel as a scapegoat for the blundering policies that have been marked by retreat and humiliation, the West... in concert with Soviet Russia, could impose peace between Israel and her neighbors, restore the Arab-Israel arms balance, demand free Suez passage for Israel on threat of a Western boycott of the Canal, and turn Arab nationalist energies from their destructive rampage to positive, constructive channels.

Benefit Affair for Edmonton Seniors

Edmonton — The patio was popular in August sunshine at the Golden Age Club party for which Mrs. Louis Podersky offered her house and gardens on Ravine Drive Wednesday, Aug. 22. Nearly 100 guests called for tea which honored the Golden Age club members and a musical program was part of the afternoon's entertainment. Mrs. L. A. Miller convened the party at which Mrs. Roy Schloss, president of the Edmonton section, National Council of Jewish Women, and Mrs. David Kline, Edmonton representative to the National Council, shared honors at the tea urns. Mrs. Schloss is pictured, left, with Mrs. M. Meloff, seated, Mrs. Miller and Mrs. Podersky. — Photo by Goertz Studios.
