UJA Gets \$100,000 Bank Loan Appeal From J. Wolinsky

Winnipeg's UJA this week responded to an urgent appeal from Israel for immediate cash assistance by setting the wheels rolling on a bid to raise \$100,000 for that purpose through borrowing.

The loan can be made only on the strength of 1952 campaign returns, officials explained as they issued a direct appeal to the community to meet the situation by

"Coming through as quickly as possible on two fronts: speed up contributions and increase the amounts radically." The Israeli appeal was conveyed via telegram to Winnipeg by city UJA honorary chairman Joseph (Cont. on page 19)

New Bonn Reparations Offer?

Bonn (JTA) — The opinion that Germany's reparations to Israel cannot be separated from her external pre-war debts which are now under discussion at an international conference in London was reiterated here today by Hermann Abbs, head of the German delegation at the London parity.

Herr Abbs refused to divulge details of new German proposals now believed to exist in the form of a draft to be delivered to the Israelis and to the conference in London. He said that he submitted a report to the Foreign Affairs Committee of the West German Parliament and that he made it clear that Germany's ability to pay must be settled before any concrete offers were made.

Britain Rejects Oil Purchase Credits For Israel; Industry Hurt

London (JTA) — The Israel legation here today announced the receipt of a negative reply from the British Treasury to a request for credits to cover Israeli purchases of crude oil. On March 20, Foreign Minister Moshe Sharett called on Prime Minister Winston Churchill and was believed to have raised the question of credits. Five days later, Mr. Sharett, accompanied by David Horowitz, economic advisor to the Israel Cabinet, called on the Chancellor of the British Treasury, R. A. Butler. At the end of a 45-minute discussion, the request for credits, amounting to some 10,000,000 pounds was made. The amount would have covered Israel's oil imports for one year.

The negative decision of the British Treasury is likely to have a severe effect on Israel industry. The oil, supplied from British firms, has covered most of Israel's imports of this commodity. Since Mr. Sharett's return to Israel, Mr. Horowitz had remained in London, waiting for the British Treasury's reply. He will return to Israel tomorrow. This is the first big snag in Anglo-Israeli relations for some considerable time.

Shinbane's Israel Report At Child Rescue Men's Dinner

A. M. SHINBANE, Q.C.

Winnipeg menfolk will hear a thoughtful and keenly perceptive account of Israel's current state of affairs on Wednesday, June 11, when A. M. Shinbane, Q.C., addresses the second annual Child Rescue Dinner. Mr. Shinbane has just returned

from a tour of Europe and Israel, and is expected to give Winnipeg her most current report from the overseas observer's point of view. Veteran communal leader and brilliant speaker, Mr. Shinbane's address is keenly anticipated by the community.

Plans for the June 11 affair, to be held at the Hebrew Fraternal Lodge, are well ahead, according to A. M. Israel, chairman of the men's drive. Ably assisting Mr. Israel are a group of business and professional communal leaders, including Jack King.

"Winnipeg men are responding warmly to the opportunity to accelerate Israel's child absorption program through Pioneer Women's Child Rescue efforts," Mr. Israel reported. "They are keenly aware of the essential nature of the many services rendered by these homes and nurseries, and realize that Government budgets from major funds must be augmented by these additional funds to continue the pace of immigration." Pioneer Women's Child Rescue drive is a high priority project on the Jewish Agency's list of approved appeals, he said.

Boris Dubinsky, Q.C., Stands For Moose Jaw Riding

Moose Jaw (Special) — Saskatchewan's first liberal party nominee chosen from the Jewish community's ranks is Boris Dubinsky, Q.C., named to stand June 11 in the Saskatchewan general election, for the Moose Jaw riding.

Former Winnipegger who has been practising here since 1926, Mr. Dubinsky was honored with the award of Q.C. just one year ago. He was the third Jewish barrister to be so, honored by the Saskatchewan government.

Mr. Dubinsky is a graduate of the University of Manitoba, and received his LL.B. from both University of Manitoba and University of Saskatchewan Law Schools. He won the Law Society's Gold Medal in his final year in Manitoba.

He has been closely associated with all phases of Jewish community work.

The 1952 Winnipeg United Jewish Appeal campaign this week passed the half-way mark in both contributions and card coverage — well ahead of the parallel period of last year's drive.

At the same time, campaign leaders announced they are asking the drive divisions to "shoot for" 75 per cent completion by this Monday (May 19) — date set for a major UJA workers' report-rally, to be

held in Hebrew Fraternal Lodge. At mid-week, UJA headquarters reported total contributions stood at \$306,372. This year's objective is \$609,000.

Also reported was completion of 1,163 cards out of a total of slightly over 2,200 in the Men's section of the drive. The Women's campaign has passed the 2,000 mark in cards completed, and is almost at the end of its section of the 1952 effort.

Regarded as "highly encouraging" also was the report that 1952 contributions are still maintaining an average increase of approximately 15 per cent over last year.

"It must be stressed, however, that the need of the hour is to keep up this increase momentum," officials said. (Cont. on page 14)
