Postal Charges Changes Noted

Changes resulting in improvements in mail service were announced today by the Hon. John R. Nicholson, Postmaster General, when he reminded the public that rate increases in a number of postal categories would also go into effect April 1.

The Postmaster General said that arrangements have been completed for the introduction of special delivery service for items, prepaid at the letter rates of postage, between Canada and Australia, the Federal Republic of Germany, the Netherlands and Switzerland.

Formerly, special delivery service extended only to Canada, Great Britain, the United States possessions. The fee for this new special delivery or "Express" service will be the same as for letters within Canada - 25 cents in addition to the surface or air mail postage rate applicable.

The Postmaster General also referred to the new postage rate for printed matter which, effective April 1, will be 3 cents for the first two ounces and 1 cent for each succeeding two ounces or fraction thereof, per piece.

Printed matter including items such as circulars, greetings cards, notices of meetings as well as newspapers and magazines mailed by the general public will be subject to a special rate of 2 1/2 cents instead of 3 cents to mailers of large quantities of printed matter who pre-sort their mailings according to postal requirements.

"Householder" or un-addressed mailings will now be 2 cents for the first two ounces and 1 cent for each additional two ounces.

The fees for C.O.D. items have increased to 15 cents when the amounts to be collected is less than \$2; 25 cents when the amount is over \$2 but less than \$50; 40 cents when over \$50 but not exceeding \$100.

Drama League Scholarship

Applications for the Manitoba Drama League annual scholarship to the Banff School of Fine Arts for the summer session of 1964 are now being accepted.

Besides tuition in the department of drama, a cash subsidy to help defray expenses is also provided.

Contestants are required to state age; experience in theatre, amateur or otherwise; awards received; and the reasons for desiring the scholarship.

A recent photograph or snapshot, and three letters of recommendation are required with the application.

All applications and letters of recommendation should be mailed not later than April 17 to Mrs. Fan Gold, 17B, 191 Cathedral Avenue, Winnipeg 4, Man.

THE REPORT (Cont. from page 2) real effort to budget in terms which allow for continued growth despite the fact that in a community the size of Winnipeg opportunities on the scale which might be possible elsewhere must of necessity be more limited.

All this, it must be emphasized, deals with elementary education. The programs of Joseph Wolinsky Collegiate, Maimonides College and the department of Judaics at the University of Manitoba are not affected since these are supported by sources outside the Jewish Welfare Fund and have not made claims to central community support.
