

Time to Paint Up - Clean Up - Renovate - Beautify

Letter to the Editor

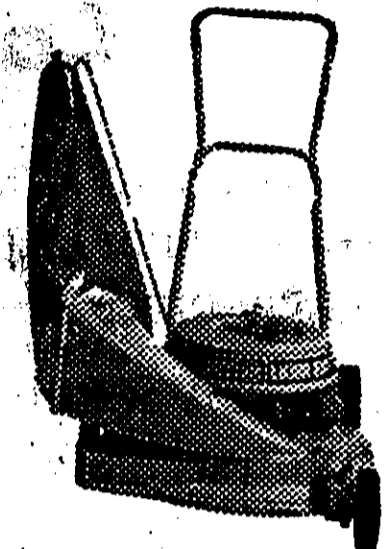

[The following letter was forwarded to The Jewish Post.] Dear Rabbi Rappaport: My attention has been drawn to the matter of using Champagne at Simchat and that Champagne currently obtainable is proscribed Halachically. This cuts into the

use of the Israel and other Kasher White and Pink Wines, the purchase of which would be very helpful to Israel's Economy. If you agree with me and can do anything to spread the word around, it would indeed be helpful. The more that know of your decision, such as Caterers, Synagogue Directors, Catering Chairmen etc., the better.

Sincerely yours,
VAAD HA'IR,
NATHAN LOCKSHIN,
President.
