## A Chanukah Miracle Today - 1,000,000 Jews In Israel

"On the eighth day, the whole row of Chanukah candles burned, even the faithful ninth, the servant, which on other nights is used only for the lighting of the others. A great splendour streamed from the Menorah. The children's eyes glistened. But for our friend all this was the symbol of the enkindling of a nation. When there is but one light all is still dark, and the solitary light looks melancholy. Soon it

finds one companion, then another, and another. The darkness must retreat. The light comes first to the young and the poor—then others join who love Justice, Truth, Liberty, Progress, Humanity, and Beauty. When all the candles burn, then we must all stand and rejoice over the achievement. And no office can be more blessed than that of a Servant of the Light."

— From THE MENORAH, by Theodor Herzl.
