

PERSONAL AND GIFT SELECTIONS ABOUND

There is nothing like a facial, hairdo and new wardrobe to make the little woman feel young again, a new person facing the exacting opportunities that life offers. So it is this week with Dominion News and Gifts (1962) Ltd. as its administrative organization and physical face-lifting are completed by new owners Myer Mitchell and Larry

Mantell. Among the new services being offered by this long and well established firm are those to meet the personal and social requirements of those seeking something special in personal stationery, wedding, engagement, Bar and Bat Mitzvah and anniversary cards. Simchat specialties and accessories all the way from

invitations to thank-you notes are featured in the large variety of party favours, decorative materials, jokes, gags which can be found on the new mezzanine floor.

A gift service tailored to individual needs too is available either by phone or in person . . . from the choosing of an appropriate gift, to making it up, wrapping and deli-

vering. Giftwares for all include such a variety as German and Czechoslovakian crystal, transistor radios, English, Canadian and American plush animal toys, carving
