TENNIS

Play in the Club Championship Tournament is now nearing the finish and the Finals in both the Men's and Ladies' Singles will take place this coming Sunday afternoon. The matches will be well worth seeing as the contesting players have displayed a remarkable brand of tennis all through the Tournament. In the Ladies' event Mrs. Churchill will meet Mrs. Shimbane, both these players having won their way through by playing steady and at times very brilliant tennis, especially in their Semi-Final matches against the Rosemond Sisters. A very close and interesting match should result when these two players clash and so evenly are they matched that it is folly to attempt to predict a winner.

In the Men's play Phil. Hald disposed of a very strong contender in the person of Sammy Calof, in straight sets 6-4, 6-2, and goes through to the Semi-Finals in the lower bracket where he will meet the winner of Dr. Churchill vs. D. Wolch. In the upper bracket Hy. Bregman and Johnny Adelman came through to the Semi-Final round without any serious opposition and will play each other for the right to enter the final. Some very interesting matches should result as all players above mentioned are at the top of their game and are displaying a good all-round brand of tennis.

The Committee is now busy planning a Grand Wind-up. At this affair the presentation of prizes will take place and will be followed by a dance. The co-operation of all members is asked to help make this event a success. The date and other details will be announced through these columns at an early date. Watch for them.
